The Sidekick program is for young dancers who want to experience 24 SEVEN but might find the Mini Room too challenging. The Sidekick workshop consists of half-day classes on both Saturday and Sunday.

The Sidekick experience includes a custom T-Shirt and special themed performance on the main stage!

One free Sidekick Observer band will be given to the studio for the appropriate parent/guardian for each registered Sidekick dancer. This wristband will only allow entrance to the Sidekick classroom.
